

Dave has hit the big one
2 on 2 out
Gold cleats ablaze
Played the game of life as well
And now he takes his farewell
We will miss him
We will mourn
David we loved you
—your friends

Rest in peace Davey boy
Know you brought us tears and joy
We will miss your stubborn certainty
You have lived and loved
With a generous heart
Now the time has come to part
We say goodbye dear old friend
Perhaps we will meet again
